

Step 1- Green School's Committee

Because of the impact of Covid-19 and the school closures, the Green School Coordinator decided it best keep some of the previous Green-School committee's more senior members from the Biodiversity theme in year 1. This ensured all meetings ran smoothly and newer, more junior members learned quickly from the senior members. It also helped ensure the activities from the previous four flags continued.

It was decided by the teachers of the school that two students from each class representing 1st to sixth class would be selected for the committee. Members are changed on an annual basis. The committee includes the same Green-School coordinator each year.

We hold regular meetings (depending on the time of the year and events happening). In general they are once or twice a month but can be up to three times a month depending on what's happening. These meetings update members on what has been done to date and then decisions are made on future events. Our Action Plan is constantly reviewed and referred to during these meetings.

During Green School meetings, the members also discuss ideas to ensure the previous themes are being maintained. The committee also choose sub-committees to ensure this, e.g. 'Litter Wardens', 'Leaky Detectives', 'Energy Stewards' and others to ensure that the No-Idling Campaign continues at the school gate.

The members then report back to their classrooms and the senior members report to the infant room. Members update the whole school on their activities during school assemblies. The coordinator informs staff members during staff meetings and also updates the school's social media pages and informs board members at BOM meetings. The Green-School's notice board is along the corridor and important information is displayed on this and updated very regularly.

2022-2023 Green School Members are as follows:

1st class pupils- Zach, Willow,

2nd class pupils- Harvey, Zara, Chase

3rd class pupils- Nancy, Abigail

4th class pupils- Eddie, Annabelle

5th class pupils- Ruby, Shaun

6th class pupils- Liam and Casey

Coordinator- Edel Mc Phillips (teacher)
